Thank you to all our clients who attended the Seniors Week activities. We hope you enjoyed them as much as we did. We would also like to thank those clients who attended the Consumers Meeting and for your valuable feedback! Guide To Bus Cost	
Bus Cost for subsidised clients	The subsidised rate is for eligible clients over 65. It is called the Commonwealth Home Support Program (CHSP). The majority of Stryder's clients already receive CHSP subsidised rates. We also have a different bucket of funding we can use for eligible clients under 65. Please call the office and discuss with the client service team to see if you are eligible.
<i>Note: From 1 July we are required to have your My Aged Care number, to claim the Government subsidy.</i>	
Standard Bus Cost for Home Care Package Clients	For clients who are on a Home Care Package (HCP), we charge our standard rate to your HCP provider. Other clients who choose <u>not</u> to go through My Aged Care are required to pay the standard rate and be on account (no cash payments).
NOTE: Cost of trip includes the bus trip only. Any morning tea, lunch and entry fees are extra and paid directly to the venue (unless we request prepayment).
